Statement of Risk

All flyers must complete the Statement of Risk, a legal contract between the flyer and O3-Ozone before flying. This contract ensures all flyers understand the nature of the sport of body flight, and the risks involved and includes a waiver of liability. All personal information contained on the Statement of Risk is used for this purpose and will not be supplied to any other party for any other purpose, except where authorized by the customer.

As a legal contract, it must be completed accurately by the flyer or parent/guardian as applicable. Refusal to complete the Statement of Risk will result in the inability to participate and forfeiture of any flight purchases, which are non-refundable.

Flyers must bring appropriate identification in order to validate their Statement of Risk. Parents of children under 18 must provide identification to validate their right to execute the contract on behalf of the child flyer.

Reservations

Your reservation time is your scheduled flight time. This means that first-time flyers should arrive 1 hour before their scheduled flight time and return flyers must arrive 1/2 hour before their scheduled flight time in order to complete any paperwork and attend the training session

as necessary. In order to fly, the customer is responsible for arriving in time to complete necessary paperwork and training and must be:

- Unimpaired
- In appropriate clothing, including properly fitting lace-up athletic shoes and clothing that can fit below a jump suit

As a courtesy, O3-Ozone may elect to reschedule such cancellations, but shall do so at its sole discretion and may require the payment of an administrative fee.

Customers with repeated cancellations or no-shows may lose flight privileges.

O3-Ozone cannot be held responsible for missed reservations as a result of extenuating circumstances such as transportation, weather, nor any other reason outside of the control of O3-Ozone, nor for expenses related to scheduled reservations.
